NEW FREIGHT PROGRAM

After 50 years of offering free freight, we reluctantly are forced to change our freight program. Due to the constant rising cost of freight, both incoming and outgoing.

We thank you for your understanding and continued business. At Olympik Trophy YOU are our most valued asset.

Our normal production time is 12 Business days after receipt of order. Rush shipping is available at an additional charge. Shipping charges are determined by a percent of your total order, and zone (see zone chart map below). Olympik Trophy Co. Will not be held liable or responsible for late deliveries, or lost items. Because awards are a personalized product, they can not be returned for any reason. We will not be liable for profit loss, cost or any other reasons caused by missed deadlines due to shipping delays or any other uncontrollable event.

Please see chart below for shipping times to your delivery location.

Rush Shipping Policy: Olympik Trophy Co. Offers Next Day Air, 2nd Day Air and 3 Day Shipping via UPS at an additional cost. All rush orders can be called in at 800-957-6604 or 888-448-1305, or e-mailed to otcawards@yahoo.com. Products availability may limit what can be shipped and an alternate item may need to be selected.

Please see chart for shipping cost to your delivery location. Due to our already low wholesale prices, we do not offer free shipping. Unlike most companies who hike up the price of their product to offer free shipping, we strive to keep our prices as low as possible with reasonable shipping cost. The shipping cost also insures your product if damaged. In most cases, our customers find that they buy a great product at a great price cheaper from Olympik Trophy Company, with shipping, than their local awards shop.

Minimum Freight Charge is \$10.00
